2 Treasurer's Report

6366.40 USD in the bank. Food tonight cost \$150. ANS conference last year cost about \$5000. The cost for students presenting will be reduced compared to non-presenting students. (possibly less than \$50.) Papers are due tomorrow. Late fee registration is due by March 1. Deadline registration is March 15. We will hopefully be funded by Hines, OR/K chapter, or ANS national. We must be sure to ask and attend local OR meetings to show we are worth spending the money on.
